## **PUBLIC PARTICIPATION**

The Board of Education encourages participation at public School Board meetings. Under normal circumstances it is desirable to allow everyone to address the Board. However, when there are many persons who wish to address the Board, the following rules shall apply to protect the public's right to be heard:

- Speaker must first be recognized by the Chair and identify him/herself.
- Comments may not infringe on the rights to privacy of another.
- Each speaker shall be allowed a presentation not to exceed three (3) minutes at the appropriate time on the Agenda.
- There will be a limit of one presentation per person.
- The Board requests that organizations and groups be represented by a single spokesperson. The spokesperson for each group shall be limited to a presentation of three (3) minutes. To save repetition and time, the Board also requests that persons not speak if a previous speaker has expressed a similar position on the same issue.
- Appropriate comments are welcome but no action is likely to be taken at this time to ensure that others have the opportunity to address the same issue also. Items discussed may, at the discretion of the Board, be placed on a later agenda.
- The Board will accept comments from the public on each agenda item as it is discussed.

By a majority vote of the Board, these rules may be suspended for special reasons at any particular meeting. Further, the Board may reserve the right to adjust the length of time.
